Mrs Claire Fegan- Director of School Improvement, Mr Christopher Threlfall – Head of School

Dear Parents and Carers

In various conversations during Parents Evening, it came up how we teach phonics. We will be running a phonics workshop in the next half term to discuss how best to support the children at home. This is complete list of all the sounds the children will learn at school. We start in the summer term for Nursery children and finish in Year 2 when the children should know all these sounds, both in reading and writing.

Red words are words that are common in English, but are not able to read or spelt phonetically. Green words are words that children can read and spell by splitting the word into sounds and then putting them back together.

Fred Talk is when we break words up into sounds to help with reading and spelling.

This list is a complete set of all the sounds with videos either you or the children can watch together.

Everything you see here is how we would teach this in class. These two websites also have games to help the children with their sounds. One is completely free and the other has free parts to it.

I hope you find this useful and that you have a fantastic half term.

All the best

Mr Threlfall and Mrs Matthews.
