Statement of intent for British Values

Our vision is: Learning Together, Growing Together

It's not important who does the planting, or who does the watering. What's important is that God makes the seed grow. The one who plants and the one who waters work together with the same purpose. And both will be rewarded for their own hard work." 1 Corinthians 3:7-8

At Hawkchurch C of E Primary School, we endeavour to inspire all children to be independent, resilient and motivated in their learning, taking pride in all they do. We teach all children to be reflective practitioners who are able to handle difficulty and change with a growth mindset as they gain knowledge of the wider world in our small, rural community.

In accordance with the Department for Education we aim to actively promote British Values in schools to ensure young people leave school prepared for life in modern Britain.

Pupils are encouraged to regard people of all faiths, races and cultures with respect and tolerance and understanding that while different people may hold different views about what is right and wrong all people living in England are subject to its law.

The Key Values are

- democracy
- rule of law
- individual liberty
- mutual respect
- tolerance of those of different faiths and beliefs
