	What we do at Hawkchurch Church of England Primary School
What kind of Special Educational provision is made at Hawkchurch Church of England Primary School?	Hawkchurch Church of England Primary is a mainstream setting with 25 pupils from Nursery/Reception to Year 6. We provide the structure for a pupil-centered process that engages pupil, family, school and other professionals in planning for and implementing high quality, needs led provision that is consistent across the school. This is to ensure all of our pupils are able to access the same opportunities for learning and social development, achieving maximum progress, fulfilling their potential, and promoting their well-being. The school provides support for pupils across the 4 areas of need as laid out in the SEND Code of Practice 2014: □ Cognition and learning. This covers learning difficulties both moderate (MLD) and severe (SLD) where support is likely to be needed across all areas of the curriculum. It also covers difficulties which affect one or more specific aspects of learning (SpLD) This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia. □ Communication and Interaction. Children with Autistic Spectrum Disorder (ASD), ADHD or speech difficulties. □ Social, emotional and mental health difficulties. At times children may suffer from anxiety, overwhelming feelings of anger or fear which affect their ability to learn. □ Sensory and/or physical needs. This covers Hearing Impairment (HI) Visual Impairment (VI) Multi- Sensory Impairment (MSI) and Physical difficulties (PD) We currently have 11 children on the SEND register with the following types of primary needs: 27% of Cognition and Learning 55% of Communication and Interaction 18% of Social, Emotional and Mental Health 0% of Sensory and/or Physical Needs.

Last academic year (2024-2025) there were 15 children on the SEND register with the following types of primary needs:

33% of **Cognition and Learning**

47% of **Communication and Interaction**

How do we identify pupils with SEND?

Information about the First Federation Trust policies for identification and assessment of pupils with SEND can be found by clicking on the link below:

<https://www.firstfederation.org/se>

Pupils have special educational needs if they have a learning difficulty or disability which calls for special education provision to be made ***which is additional to or different from*** that normally available in a differentiated curriculum. We regard pupils as having a Special Educational Need if they:

- Have a significantly greater difficulty in learning than the majority of pupils of the same age, or;
- Have a disability which prevents or hinders him/her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions
- A child under compulsory age has special educational needs if they fall within the definition at (a) or (b) above or would do so if special educational provision was not made for them (Section 20 Children and Families Act 2014)

Children with SEN are identified by the following assessment routes all of which are part of the overall approach to monitoring progress of all pupils:

[nd-and-equality/](#)

- Child performing below age related expected levels and performance thresholds – this could be in any of the core subjects, or in social emotional development.
- Assessments of children on entry to school e.g. Speech and Language assessments, Baseline assessments
- Ongoing tracking attainment of children through the year
- Internal assessments including working memory, dyslexia screening, language and vocabulary knowledge
- Concerns raised by parent
- Concerns raised by teacher, for example behaviour needs or self-esteem affecting academic performance
- Clear systems to raise concerns in place, involving consultation with parents.
- Consultations between class teachers and members of the leadership team where progress is discussed
- If children have English as an Additional Language (EAL) and there are SEND or progress concerns, the school will commission first language assessments to ensure an accurate assessment of need is made.
- Extensive Liaison with external agencies e.g. Behaviour Support, Communication and Interaction Team
- Support from our Educational Psychologist
- Health diagnosis through Paediatrician or advice from GP

What arrangements are in place relating to the treatment of complaints about SEND provision?	If you have concerns about your child's SEND provision, you should initially raise these with the class teacher and/or the Unit Leader/SENDCo The First Federation has a complaints procedure, which can be found on the website. http://www.firstfederation.org/complaints/ If there continues to be disagreement with regard to SEND provision, the Local Authority should make arrangements that include the appointment of independent persons with a view to avoiding or resolving disagreements between the parents/carers and the school. This includes access to mediation before tribunal. Parents/carers have a right to appeal to a SEND tribunal at any stage.
